

Division : First Year - ME-F													Program : DESH-DESH													Department : Engineering, Science and Humanities													Academic Year: 2026-27													Semester : 1													Version : V1													W.E.F : 15-09-2026													To_Date : 10-01-2027																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																											
Sunday													Monday													Tuesday													Wednesday													Thursday													Friday													Saturday																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																								
08:00 : 09:00																										JSK													AFD													ES26104 - Lab Programmi ng for Engineers: B1													E111																										IS													ES26108A - Theory Language- English:-													E305																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																	
09:00 : 10:00																										SLG													AFD													ES26104 - Lab Programmi ng for Engineers: B1													E111																										SLG													ES26206 - Theory Environment Studies:-													E305																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																	
10:00 : 11:00																										RSB													AFD													ES26104 - Lab Programmi ng for Engineers: B1													E111																										IS													ES26108A - Theory Language- English:-													E312																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																	
11:00 : 12:00																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																						

Sr No	Teacher	Load Type	Subject
1	10908 RSB(RAMKRISHNA SHANTILAL BHARSAKADE)	Theory	ER - ES26205 - Engineering Robotics
2	10908 RSB(RAMKRISHNA SHANTILAL BHARSAKADE)	Lab	ER - ES26205 - Engineering Robotics
3	20661 AFD(ASHISH FULCHAND DEOKAR)	Lab	PE - ES26104 - Programming for Engineers
4	20465 ABR(DR. AVINASH BHANUDAS RAUT)	Tutorial	CAL - ES26201 - Calculus
5	20494 ARD(ABHJEEET RAJESHWARRAO DESHPANDE)	Theory	DTI - ES26207 - Design Thinking & Ideation
6	20465 ABR(DR. AVINASH BHANUDAS RAUT)	Theory	CAL - ES26201 - Calculus
7	12392 JSK(Jyoti Sachin Kulkarni)	Theory	PE - ES26104 - Programming for Engineers
8	20422 SLG(MRS. SHRUTI LAXMIKANT GORE)	Theory	ES - ES26206 - Environment Studies
9	12418 PSA(PRIYANKA SWAPNIL AGNIHOTRI)	Lab	PE - ES26104 - Programming for Engineers
10	Visiting_05 JS(Ifran Shaikh)	Theory	LENG - ES26108A - Language-English
11	2001 NBK(NAVNATH B KALE)	Theory	LQP1 - ES26103 - Logic and Quantitative Aptitude 1
